

A levels

128 students

Academic qualifications (all academic qualifications, including A levels)

128 students

Academic qualifications include A levels but also other 'level 3' academic qualifications such as International Baccalaureates and Pre-U. These figures are based on students who were entered for at least one academic qualification that is at least the size of an AS level. For further details, see the [16 to 18 Accountability Technical Guide](#).

Progress score ?

Below average -0.34

[More score details](#) ?

Average result ?

| | Average result | Points |
|--------------------|----------------|--------|
| School / college | C- | 25.82 |
| Derbyshire average | C | 29.4 |
| England average | C+ | 32.11 |

Percentage of students completing their main study programme ?

Number of students enrolled to study mainly Academic qualifications: 110

Applied General qualifications (broad vocational qualifications)

1 student

Applied general qualifications provide broad study of a vocational area. They are designed to lead to higher education and they include areas such as performing arts, business and health and social care. See [technical and vocational qualifications](#) for more details. These figures are based on students who were entered for at least one applied general qualification that is at least the size of an AS level. For further details, see the [16 to 18 Accountability Technical Guide](#).

Progress score ?

There is no data available for this school or college for this measure. This is for the following reason: [SUPP](#)

Average result ?

| | Average result | Points |
|--------------------|----------------------|--------|
| School / college | SUPP | = |
| Derbyshire average | Dist- | 33.09 |
| England average | Dist | 34.7 |

Percentage of students completing their main study programme ?

Number of students enrolled to study mainly Applied General qualifications: 9

Tech levels (occupational qualifications)

9 students

Tech levels are qualifications for students wishing to develop the specialist skills and knowledge for a technical occupation or industry. They lead to recognised occupations, for example in engineering, IT, accounting or professional cookery. For further details, see [technical and vocational qualifications](#) for more details and the [16 to 18 Accountability Technical Guide](#).

Completion & attainment ?

Number of Tech Level learning aims (total number of qualifications studied by all students): 10

| | School / college | Derbyshire average (local authority) - state funded schools / colleges | England average - state funded schools / colleges |
|---------------------------------|------------------|--|---|
| Completion and attainment score | 0.52 | -0.33 | 0.00 |

Average result ?

| | Average result | Points |
|--------------------|----------------|--------|
| School / college | Dist | 35.28 |
| Derbyshire average | Merit+ | 27.19 |
| England average | Dist- | 30.78 |

Percentage of students completing their main study programme ?

Number of students enrolled to study mainly Tech Levels: 10

Additional data

| | School or college |
|--|-------------------|
| Number of students achieving the Technical Baccalaureate ? | 0 students |

English and maths

These scores show how much progress students at this school or college made in English and maths qualifications such as GCSE re-takes, between the end of [key stage 4](#) and the end of the [16 to 18 phase of education](#). A positive score means that, on average, students got higher grades at 16 to 18 than at key stage 4. A negative score means that, on average, students got lower grades than at key stage 4. Students are included in these measures if they did not achieve a grade C or higher in their GCSE or equivalent by the end of key stage 4 in that subject. For further details, see the [16 to 18 Accountability Technical Guide](#).

| | Number of students | School / college | Derbyshire average (local authority) - state funded 16-18 schools / colleges | England average - state funded 16-18 schools / colleges |
|-------------|--------------------|------------------|--|---|
| English | 11 | 0.27 | -0.33 | -0.10 |
| Mathematics | 8 | 0.13 | -0.18 | -0.13 |

Students staying in education or employment for at least 2 terms after 16 to 18 study

Students finishing 16 to 18 study who either stayed in education or went into employment from October to March the following year. The data published in January 2017 is for students who finished 16 to 18 study in 2014, which is the most recent data currently available. For further details, see the [16 to 18 Accountability Technical Guide](#).

Number of students: 84 students
