### Clerical re-checks, reviews of marking and Appeals

#### Candidate consent form

##### Information for candidates

**The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.**

If your school or college submits an application for a clerical re-check or a review of the original marking, and then a subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.

# POST RESULTS SERVICE 2018

## What should I do if I am not satisfied with my results?

If a student wishes to query a result, they must do so as a matter of urgency. Awarding Bodies set very strict deadlines for any enquiries. The following services are available to students once they have received their results (together with costs and deadlines). These must go through the school and cannot be done by an individual.

- Priority Remark – this is the same as a remark but will be returned to the centre as a priority. Please note the deadline for this service.
- Remark – this is a clerical check and full remarking of the exam script by a Senior Examiner.
- Original Script – this is the return of either the original or a scanned copy of your script. Please note the original script will take longer to receive

**Access to scripts (ATS):** access to marked examination scripts

**Review of result (RoR)**

### Points to note:

Certain subjects may attract different fees

<sup>1</sup> This service is to request a copy of script to support an Enquiry about Result; this service is not available if an Enquiry about Result priority service 2 has been requested. Only available if necessary as part of an application for UCAS, Apprentice or Employment which is dependent upon the result.

<sup>2</sup> Where a copy of a reviewed script is requested, this should be applied for at the same time as the Enquiry about Result request to meet the relevant Enquiry about Result deadline.

<sup>3</sup> If you request an original script please be aware that there can be no appeal for a re-mark upon receipt of original script.

### Important Notes:

1. For any queries regarding Examination Remarks or Access to Scripts please contact the school's Examinations Officer - Tel: 01773 825281 ext 281 or via email [jes@belperschool.co.uk](mailto:jes@belperschool.co.uk)
2. The Examinations Officer will be available from 9.00 am until 2.00 pm on the day of the GCE results and again on the GCSE results day. After this day the Examinations Officer will be available at the start of the school term in September. Copies of the relevant forms are available at:  
<http://www.belperschool.co.uk/information/examinations/>
3. Unless the requirement is for either of the Priority Services, we would advise all students to wait until they have had the opportunity to discuss the results of examinations with the subject teacher in September.
4. If you wish to have any of the services above you must pay for it yourself, unless as happens on occasion a Department wants to have a number of scripts to be remarked or requests a copy of the script. If this is the case they will seek your permission beforehand.
5. If the student is to query the result then appropriate payment, in the form of a cheque made payable to 'Belper School', or cash must be provided to the Examinations Officer, before the enquiry can be submitted. If the results in the original overall certification grade remain unchanged or lowered then the charge will apply. If the original grade is amended and the grade raised then there will be no charge and the fee will be returned to the student in due course.
6. It is important to realise that marks and **grades are not always raised** as a result of a remark; they can be **confirmed** or even **lowered**.
7. If you request a photocopied script(s), you may apply for a re-mark. Please be aware of the deadlines as detailed over as the turnaround is short.
8. If you wish to, you may have your **original script (s)** returned from the awarding bodies with deadlines and costs detailed above. Please note that **there can be no appeal for a re-mark upon receipt of original scripts** and may take up to mid-November to return.

### Re-sits:

It is usually possible for you to re-sit GCE units. However, as with the non-priority services above we would advise all students to discuss with their subject teachers their grades and module boundaries in September before making any firm decision about re-sits. Re-sit forms are available from either Sixth Form Office or the Exams Office. All re-sit fees must be paid with application forms by the published deadlines (usually the first week of February). Re-sit applications received after this date will be charged at the penalty rate as listed by the examination board at the time of application and can be almost triple the original cost. GCSE re-sits are available in Maths and English in November - requests need to be made initially by informing the relevant Head of Faculty of your intentions at the start of the year who will discuss the options available to you. If you have left school and wish to re-sit please get in touch with the Exams Office in September.

### Receipt of Certificates:

- Certificates arrive in school during the Autumn Term and will be given out to Year 12 students throughout the year. Year 13 students and former Year 11 students will be notified of their arrival to us and these will be made available for collection from the Main School Office - Visitor Reception and will need to be signed for and you must bring I.D with you.
- Remember – your certificates are extremely important documents and must be kept safe. Replacement certificates/certified copies of results must be obtained directly from the Awarding Bodies and are expensive. The School is only legally obliged to keep any unclaimed certificates for a period of one year from the date of receipt so please ensure you claim your certificates.
