

STUDENT CODE OF CONDUCT

We are so pleased to welcome you back! We have missed you all.

School looks a little different now and we have some new procedures. These behaviour standards will help to keep us all safe and healthy.

Introduction

- **If you or anyone in your household is ill with Coronavirus symptoms (temperature, cough, loss of taste or sense of smell), you must not come to school. Follow GOV.UK guidance on testing and isolation**
- Pay attention to the safety and information presentation (delivered by your teacher)
- Wear clothes which are comfortable and washable
- Please bring basic equipment and a filled water bottle. No eating in school
- Take any opportunity to wash your hands for 20 seconds using soap and water, or to sanitise them
- On the journey to school, please maintain social distance of 2 metres. Please arrive by walking, cycling, or car if possible and avoid public transport. If you need to use it, please use a face mask or covering.
- **Please act safely at all times and be kind and considerate to others**

Arrival and in the classroom

- Please arrive punctually and wait patiently at the social distance markers
- We will meet you at the gate and show you where to sanitise your hands. Sanitise your hands again before leaving the site
- On site, respect and maintain social distancing of 2 metres as far as possible.
- Please sit in the seat allocated and do not get up or move around the room without staff permission. If using IT, only use the machine allocated
- If you need the toilet, please ask your teacher, do not get up and walk about
- At the toilet, follow the Attendant's instructions and wash your hands for 20 seconds with soap and water afterwards
- If you cough or sneeze, please use tissues and "Catch it, Bin it, Kill it." Otherwise, use the crook of your elbow to cough into
- If you start to feel unwell, tell your teacher, who will get help from First Aid
- **Any attempt to deliberately infect anyone else, or even joking about this, will be treated extremely seriously. It will be seen as possible threat to someone's life. It may involve the Police.**
- Behave well and attempt all work set. If you don't know what to do, ask your teacher
- You must not share equipment with others

Your Well-Being

- First Aid staff will be in school to help, ask your teacher if you need to talk to them
- Some pastoral, Learning Support, ACCESS and safeguarding staff will be available if you need to talk. Ask your teacher.
