

Cyber Awareness, avoiding Fraud and Scams - and advice for parents/carers -
Webinar Monday 28th October, 1830h

Did you know, that more than half of all reported crime is now online or fraud?

Derbyshire Police Cybercrime Unit, along with Derbyshire County Council Community Safety Unit will be hosting a webinar on Monday 28th October at 1830h to raise awareness of the most prevalent issues reported online, including how to further protect yourselves, and your families.

Our webinars run on MS Teams – you do not need an account, but you will need to download the MS Teams app to be able to join the Webinar. To receive the link to join the meeting, you will also need to register to join the webinar.

If you are unable to make the date, these webinars will be repeated in the future – they will be advertised via Derbyshire Alert (www.derbyshirealert.co.uk) and via our Facebook page, Derbyshire Police Online Safety
