

## **SOCIOLOGY**    **AWARDING BODY AQA**

Course Specification link: <https://www.aqa.org.uk/subjects/sociology/as-level/sociology-7191/specification>

### **Brief outline of course**

Sociology examines the structure of society. It looks at how society is organised and works through different social institutions. It also examines the different theoretical approaches to these. The examination is split into three papers focusing on different subject matter.

- Paper one - Education with theory and methods
- Paper two – Families and Households and Stratification and Differentiation
- Paper three – Crime and Deviance with theory and methods

You will be required to carry out research and analyse your findings.

### **Are you interested in:**

- What is happening in society?
