Brief outline of course

A Level Languages is an exciting, dynamic course which will widen and deepen your knowledge and understanding of the topics developed at GCSE.

Students will study a variety of topics including music and cinema, cultural heritage in the French/German speaking world, immigration and multiculturalism and political engagement whilst developing their four skills of reading, writing, speaking and listening.

Students also explore the influence of the past on French/German speaking communities. Throughout their studies, they will learn the language in the context of French/German speaking countries and the issues and influences which have shaped them.

Students will study contemporary texts and film and learn how to discuss and analyse these. The speaking exam will offer students the opportunity to carry out independent and in-depth research on an area of their choice in the French/German speaking world.
